Northwood-Kensett Community Schools Laptop Usage Fund

Please read this entire document regarding your students' protection against damage and loss of the loaned computer equipment in your care. This form must be completed and marked Yes or No before the computer will be provided to the student(s)

COVERAGE AND BENEFIT

This agreement covers the computer loaned to the student against all damage or loss over $250.00. Accessories valued less than $250.00 are not covered. Coverage is 24 hours per day. Total value will be determined at the time of the loss or damage. In no case shall the value be greater than $1,200. In the event of damage or loss, this agreement will pay anything above the $250 deductible. You will be responsible for the $250.

EFFECTIVE AND EXPIRATION DATES

This coverage is effective from the date this request form and premium payment are received by the school through the date at which the computer is requested to be returned in good order to the school.

USAGE FEE

The total non-refundable, non-transferable usage fee is $30.00 per school year per computer, with a family "cap" of $80.00 per school year. Partial school years are not refundable or transferable. It is agreed and understood that the $30.00 usage fee allows the student to take the computer home on a daily basis. If parents choose not to pay the $30.00 usage fee, students will be able to use the computer at school but will not be allowed to take the computer home. A separate application will be needed for each computer covered.
