

Northwood - Kensett Elementary
2017-2018 Registration Fees

Instructions: You can print this form to fill it out by hand, or you can fill it out on your computer (if you have a recent version of the free Adobe Reader). If you don't have a recent version of Adobe Reader, you can download the current version, for FREE, at <http://www.adobe.com/reader>.

If filling it out on the computer, you must fill out one form per elementary student. Place a check in the box next to each item that applies to the student. Then enter an amount for the lunch. The totals amounts will show up in the right column, and the total will be filled in for you.

If you are filling this out by hand, and want to use it for additional students, put a quantity in the first column instead of a check mark. Write additional student names and grades on the bottom of the page.

Blank lines at the bottom can be written in for lunch money, laptop fees, or other items, but they won't be calculated into the Total Amount Due for whatever was filled in electronically.
