

**Northwood - Kensett Elementary  
2016-2017 Registration Fees**

**Instructions:** You can print this form to fill it out by hand, or you can fill it out on your computer (if you have a recent version of the free Adobe Reader). If you don't have a recent version of Adobe Reader, you can download the current version, for FREE, at <http://www.adobe.com/reader>.

If you are filling it out on the computer, the form will automatically fill in totals for the items and the total amount due.

You must fill out one of these forms for each elementary student. If filling it out on the computer, place a check in the box next to each item that applies to the student. Then enter an amount for the lunch. The totals amounts will show up in the right column, and the total will be filled in for you.
