

NIACC Promise

Make your educational dreams a reality with the NIACC Promise Scholarship.

Financial barriers shouldn't stand in the way of a great education. High school graduates in the NIACC district who meet program eligibility requirements can now attend NIACC tuition-free.

Why is NIACC offering this?

NIACC believes a good education leads to a prosperous future, not just for the student who receives it, but also for the family and community of that student. This philosophy is shared by a North Iowa couple whose generosity made this privately-funded scholarship possible.

Getting Started:

The following items must be completed by
March 1, 2018

- NIACC Admissions Application
- File the FAFSA
(Free Application for Federal Student Aid)
- NIACC Foundation Scholarship Application

After all of these steps are complete, the Financial Aid Office will determine your eligibility for the Promise scholarship and many other NIACC scholarships available for incoming high school seniors from the NIACC area.
