To anyone who is grieving,

We would like to invite you to participate in the upcoming Mayo Clinic Hospice Grief Support Groups. This summer we are offering the option of both Zoom or in-person Grief Support Groups in multiple locations. Our six-week specialized Grief Support Groups will begin the week of **July 15<sup>th</sup>** and go through the week of **August 19<sup>th</sup>, 2024**. The enclosed flier provides information regarding these groups and information about how to register.

We ask that you complete the entire form and include any additional information you think will be important for us to know. The group facilitators and bereavement coordinators will keep this information confidential.

When we receive your completed registration, you will then be sent a confirmation. Included will be a personal well-being checklist.

Participants who choose to attend their Grief Support Group on Zoom will need access to a computer with internet access, a microphone, and a camera. Participants also need to be able to meet in a private place without other people present because the conversations during grief group are to be kept confidential. You must provide an email to send materials for the meeting.

Because space can become limited, we encourage you to complete your registration **prior to June 10<sup>th</sup>**. Those who have attended these support groups rate them as very helpful.

Please email us at [RSTHOSPICEBEREAVEMENT@mayo.edu](mailto:RSTHOSPICEBEREAVEMENT@mayo.edu) or call us at 507-284-4002 or 1-800-679-9084 for any questions or concerns that you may have.

Sincerely,

Available for either in-person or online Zoom attendance

If a significant person in your life has died within the past three years, please consider being a part of an upcoming six week in-person or online Zoom grief group. These groups provide a safe way to connect with other people who are grieving, to be understood, and to share needs, concerns and feelings. Grief Group participants should be at least three months into their journey with grief after the death of their loved one.
