Summer Camp Descriptions

Textures Camp (4-year-old with an Adult)

Discover the outdoors through the many surfaces it has to offer! Campers will experience nature in a whole new way as they uncover patterns and materials found in the natural world. This camp encourages curiosity, observation, and a deeper connection to nature.

Capacity of 8. No volunteers needed.

Colors Camp (Grades K - 1st)

See the outdoors come alive! Campers will explore nature through vibrancy as they search for inspiration all around them. Using the landscape as a guide, this camp will encourage campers to notice the beauty and variety of color in the natural world.

Capacity of 12 with 1 volunteer OR 8 with no volunteers.

Insect Camp (Grades 2nd - 3rd)

Grab a magnifying glass! Campers will dive into the fascinating world of invertebrates and learn how insects thrive in nature. This camp builds curiosity and respect for the mighty critters that keep ecosystems buzzing.

Capacity of 12 with 1 volunteer OR 8 with no volunteers.

Water Camp (Grades 4th - 5th)

Make waves this summer! Campers will spend their days on the water building confidence, teamwork, and outdoor skills through exciting activities like canoeing, kayaking, boating, and swimming. Certified staff will supervise all water activities. Life jackets are provided and required for every camper's safety.

Capacity of 12 with 1 volunteer OR 8 with no volunteers.

Sportsman (Grades 6th - 8th)

Take aim at our sportsman camp! Campers will develop focus and technique as they learn field skills guided by trained instructors. This is a great camp for young outdoor enthusiasts to challenge themselves and build lifelong skills in a safe, supportive environment.

Capacity of 12 with 1 volunteer OR 8 with no volunteers.

Caving Adventure (Ages 15-18)

Journey above, below, and beyond! Campers will venture into rugged landscapes, explore hidden spaces, and take on physical challenges that build confidence. From navigating rocky terrain to discovering unique underground features, every day offers a new opportunity for adventure and exploration. This camp involves crawling through dark and tight spaces. There is a \$65 fee for food and travel expenses.

Capacity of 8. No volunteers needed. Involves two overnight sleeps. \$65.
